3

Successful identification

MOVENTUM

DigitalSignature

The account and securities account opening process can run completely paperless through digital contract signature.

You can identify yourself using the videoident procedure and sign the contract using an electronic signature.

This makes the account opening process more customer and environmentally friendly.

6 Enter the mobile TAN and sign the account opening document.

5 Read the account opening document and accept the terms of use.

4 Log in with your digital credentials.
